

Goochland High School

Freshman Bulldog Orientation

August 18th, 2020

We are very excited to welcome new Bulldogs to GHS! We look forward to offering the Class of 2024 an orientation experience on Tuesday morning, August 18th. This will be an optional, virtual event, available through Schoology. Students will be able to access an informational presentation with tons of useful information about being a Bulldog, the building, our amazing faculty, and so much more! Also, there will be an additional opportunity for a live Q&A session. We will also provide copies of this information for those with more limited internet access.

Additionally, we plan to provide each freshman with a “Class of 2024” t-shirt so that they can show their Bulldog Pride! In Schoology, students will be able to find a form to request the size shirt that they would prefer.

Please feel welcome to contact Ashton Guza, School Counselor (aguza@glnk12.va.us), or Raenell Foster, School Counseling Secretary (rfoster@glnk12.va.us) with any questions.

As always, Go Bulldogs!
